Thank you for your interest in our County Campsite, we hope that you have an enjoyable stay. We continue to develop our activities and facilities and strive to provide an adventurous yet safe environment for your young people.

Feedback is always welcome, both positive and negative, together with your thoughts and ideas about the future of Bowley.

You may already know that all of our Bowley staff are volunteers.

Whether they are working as activity instructors, duty wardens, campsite maintenance workers, or campsite managers, everybody is here because they love the site, and they want you to love it too!

We are constantly on the lookout for additional volunteers and if you can spare an odd hour on site or in the Trader please let Louise our County Administrator know via email on:

The Trader sells sweets, drinks, badges, souvenirs etc and is open every weekend throughout the camping season. We will always endeavour to accommodate your group and amend our opening hours accordingly.

## Bookings Terms and Conditions

Bookings for Activities should be made at least **4 weeks** prior to the Activity taking place. Bookings taken at shorter notice than this have a much smaller chance of instructors being available.

Bookings for buildings should be made at least one week in advance to allow for cleaning, however, it is advised to book at least 3-6 months in advance as the buildings are in great demand.

**All bookings must be accompanied by a non-returnable deposit equal to 25% of the total booking cost within 14 days of the provisional booking being made.**

Any bookings that have not had a deposit paid within the 14 day period are considered to be unconfirmed, and may be offered to another group on the production of the appropriate deposit.

Cancellations must be made in writing to the County Office, or by email to [bookings@bowley.org.uk](mailto:bookings@bowley.org.uk).

Cancellation of the booking by the customer will result in the following fees being due:

- Earlier than 12 weeks prior to the start of the event – the non-returnable deposit only will be retained.
- Between 12 and 4 weeks prior to the start of the event – 50% of the total booking costs shall be due within 4 weeks of cancellation.
- Within 4 weeks of the start of the event, effectively rendering the facility unmarketable – 100% of the total booking costs shall be due within 4 weeks of cancellation.

In the unlikely event that East Lancashire Scout Council cancels any booking or part of a booking, then the full amount, or full amount of that part of the booking will be returned. Our staff will make every effort to provide alternative accommodation or activities where appropriate.

East Lancashire Scout Council reserves the right to refuse any subsequent booking until all amounts owing from the group have been paid.

East Lancashire Scout Council reserves the right to cancel a booking in the event of unforeseen circumstances (force majeure).

East Lancashire Scout Council's decision is final when classifying groups. The following guidance is given:

- East Lancs Scouts are Scout Groups registered in East Lancashire under The Scout Association.
- Other Youth Groups are other not-for-profit groups run primarily for the benefit of people under 18. Generally these groups will be staffed by volunteers, and do not include schools or other groups in the school category.
- Schools include all nursery, primary, secondary and sixth form schools, including forest schools and other similar not-for-profit groups. This category also comprises charitable organisations that are not young people-oriented.
- Corporate groups include businesses, profitable training groups, and other profit-making organisations. This category also contains private functions.
